

Tataki Zome

Instructor: Paige St-Pierre

Supply List

- Small metal hammer or rubber mallet or palm sized smooth rock
- A variety of colors & shapes of freshly picked botanicals from yard or store-bought flower bouquets (Nothing dead or dried. Thin petals & leaves work best)
- Yoga mat, large piece of cardboard or kitchen towel (to protect the table and cut down on the noise level)
- Plastic or wooden cutting board
- Paper towel or napkin
- paper scissors or Exacto knife (for trimming botanicals)
- 140 lb watercolor paper any brand, any size, at least 3 sheets
- Tweezers (optional)
- Micron pens or watercolor pencils or paints + watercolor brush (optional)
- Tablecloth

DO NOT BRING:

- Dried leaves or any leaves with a waxy or shiny surface
- Standard printer paper, construction paper, or any thin or “soft”/tissue-like papers

Instructor will provide the following:

- a variety of scrap papers and fabrics to practice on
- clear plastic sheets to cover & hold the botanicals in place during the hammering process.
- some fresh botanicals
- watercolor pencils + brushes
