Alternatives to Cadmium red and yellow as “hue” can be found with Winton oil colors and possibly others.

Shop: Artist and Craftsman, 4350 8<sup>th</sup> Avenue NE, Seattle, WA 98115 or

Online:

Jerry’s Artarama, Blick etc.

**Tools, etc:** Oil sticks: black and white or other colors you like; ARTGRAF black carbon disc; water1soluble Graphite stick,6B; Palette knife ---medium rectangular blade or any type of blade that looks good to you— maybe buy two sizes at first, large gray Catalyst silicon wedge “color shaper” #06 (bean-shaped scraper tool), pad of large disposable paper palettes; standard 12-color color wheel.

**Supports:** NO stretched CANVAS, only hard surfaces like wood panels, or paper attached to a drawing board. Bring first session : 4 pieces of gessoed paper measuring 9”x12” each, attached to a board. INSTRUCTIONS TO FOLLOW. After that, use a gessoed cradled panel 12” x 12” (or larger). We will discuss further surfaces/supports during class.

Come to first class with a cradled panel of the size you like. Not too big the first time.

If you kow how to gesso, please bring the panel gessoed.

Otherwise, just come with the panel and gesso and brushes.

**Supplies from the hardware store or home:** Rags and paper towels, Mark-making tools for texture and variety, ie.: wax paper, tissue paper, Chip brushes, tooth picks, metal or plastic shapes, squeegees, rubber mesh, bowl scrapers, steel wool. Twigs and sticks to make marks. Sandpaper 100 grit-1 sheet.

\*Paper towels, baby wipes, vinyl or latex gloves and apron (optional), beige masking tape, drop cloth or plastic tablecloth to protect table and floor are required.
