

Winter Quarter: Jewelry Special Projects

Instructor: **Instructor: M. Quarles**

Materials and Studio Usage:

Students will be required to purchase additional materials and some tools to participate in class. The North Seattle College Jewelry Program is wonderful for allowing the Continuing Education students access to the jewelry studio and its many tools. There are consumable materials that are not provided (i.e. metal, solder, stones, etc.)

*This quarter, special projects will be decided on the first day of class. A materials list will be compiled based on in-class discussion. Students are expected to bring whatever materials they will need to complete the projects they wish to complete.
