

## Landscape Acrylic Paint

Instructor: Robin Arnitz

### Paints and mediums (one of each)

*(I typically buy Golden. Feel free to experiment with other brands, but I've found them to be the best. Liquitex Professional, Amsterdam and Winsor & Newton are OK. Liquitex Basics tends to not have as much pigment. Feel free to bring in colors that aren't on this list.)* **Please note that supply chain issues have made finding some paints and mediums difficult. Feel free to email me if you need help finding the paint or a replacement for it.**

### Brushes & Knives

*(Brushes can be bristle, sable, or nylon. You could try one of each to see what the difference is, if you like. Softer brushes are good for washes without showing the brushmark, firmer brushes are good for loading with paint and painting thickly. You don't need all brushes on the list, but the greater the variety of brushes, the more mark making opportunities you have.)*

- #14 or #16 bright or short filbert
- #2 #4 #8 rounds (#6 optional)
- #4 #8 filberts (#6 optional)
- #6 #10 brights (#8 optional)
- Palette knife (for mixing and applying paint to surface)

## **Painting Surfaces**

- Canvas pad, canvas paper pad, or mixed media paper pad – something for practicing technique.

**Acrylic Paint Palette or Disposable Paper Palette** (*A sealable palette with tear away sheets is recommended like this: <https://www.dickblick.com/products/masterson-sta-wet-handy-palette/> Wax paper can also be used on the bottom of the palette for easy clean up.*)

**Two large jugs for water** (*I usually save old, plastic juice bottles and cut off the tops.*)

## **Other Recommended Items**

- Apron or smock
- soft pencil and eraser
- Rags
- Plant mister/spray bottle – to keep paints from drying out as you work
