- 1 zip bag to store materials in or combo of backpack and plastic carrying case (I put my paints in a plastic carrying case with my palette knives, and my palette down in a backpack with my mediums, cleaning jar and paper towels, gloves, etc...)
- Artist tape white 3/4 x 60yds
- Pad of disposable palettes (or a small glass palette about 12” x 12”)
- 1 drawing board to tape paper to
- 1 small notebook
- 1 pencil
- 1 eraser
- Rags or shop towels

*If you are not going to have an easel it is best to choose a size you can hold in your hands- I am making the easel optional as not everyone can afford one and I often paint outside seated holding my painting in my hands. If you do choose to find an easel, there are pretty good deals on French easels used on Craigslist. You can also make one easily using a camera tripod and a piece of Masonite with a screw through the Masonite fastening it to the tripod.

Optional Supplies:

- small folding camp chair or stool, manageable size to carry with you

The Seattle Colleges does not allow the following acrylic or oil paint colors on campus:
