

Watercoloring Watery Landscapes

Instructor: Robin Bundi

Recommended Supplies:

- Watercolor paint set:
 - A range of colors in blues, reds, yellows and earth colors in tubes or half-pans.
 - For tubes, look for: Hansa Medium Yellow, Quinacridone Gold, Pyrrol Scarlet, Quinacridone Rose, Ultramarine Blue, Phthallo Blue Green Shade, and Burnt Sienna.
 - Recommended Tube Set: Winsor and Newton Cotman Watercolor
 - Recommended Half-Pan Sets: Daniel Smith Watercolor Half Pan Ultimate Mixing 15 Piece Set or, Winsor & Newton Professional Watercolor Half Pans and Sets
- Watercolor brushes:
 - A range of sizes and shapes. I recommend getting a size 3 and fine tip brush. You will want a high quality brush that has a fine tip and a full belly.
 - Recommended brands: Princeton Select, Escoda Reserva Kolinsky-Tajmyr Sable, or Rosemary & Co.
****To test this at the store, dip it in water and try it on the special board they usually have. You should be able to get a very fine line. Dip and then tap it against your wrist to see if it comes to a single point, not a split one.****
- Watercolor paper: 140LB, and 100% cotton.
 - Recommended brands: Arches, Strathmore 400 Series.
- Paint palette or ceramic plate
- Water container (2)
- Paper towel or rag
- Pencil
- Kneaded eraser: this kind lifts pencil marks instead of smearing them.

Optional Supplies:

- Gator board or watercolor board. You will affix your paper to the board while working on your painting. Needs to be larger than the paper you are using. If you are using a watercolor block then you will not need this item
- Artists tape or blue tape
- Masking fluid

Shopping Resources: (Painting)

- Artist & Craftsman 4350 8th Avenue NE, Seattle 206-545-0091
- Dick Blick Art Materials 1600 Broadway, Seattle 206-324-0750
- Jerry's Artarama Online www.jerrysartarama.com (takes a few weeks to receive order)
