

## Exploring Color Theory Thru Watercolor

Instructor: Robin Bundi

### Recommended Supplies:

- Watercolor paint set - You will want a range of colors in blues, reds, yellows and earth colors. You can go with either tube or half pans. If selecting tubes look for Hansa Medium Yellow, Quinacridone Gold, Pyrrol Scarlet, Quinacridone Rose, Ultramarine Blue, Phthalo Blue Green Shade, and Burnt Sienna. Brands I recommend are: Winsor and Newton Cotman Watercolor Tube Set, Daniel Smith Watercolor Half Pan Ultimate Mixing 15 Piece Set or, Winsor & Newton Professional Watercolor Half Pans and Sets
- Watercolor brushes: You can use a range of sizes and shapes; I recommend getting a size 3 and fine tip brush. You will want a high quality brush that has a fine tip and a full belly. To test this at the store: dip it in water and try it on the special board they usually have. You should be able to get a very fine line. And dip and then tap it against your wrist to see if it comes to a single point, not a split one. Brands I recommend are: Princeton Select, Escoda Reserva Kolinsky-Tajmyr Sable, or Rosemary & Co.
- Watercolor paper: 140LB, and preferably 100% cotton. Brands I recommend are: Arches and Strathmore 400 Series. We will be doing some color mixing charts and it is good to have paper at least 8x10 inches.
- Paint palette or ceramic plate
- Water container (2)
- Paper towel or rag
- Pencil
- Eraser

### Optional Supplies:

- Gator board or watercolor board. You will affix your paper to the board while working on your painting. Needs to be larger than the paper you are using. If you are using a watercolor block then you will not need this item.
- Artists tape or blue tape

### Shopping Resources: (Painting)

- Artist & Craftsman 4350 8th Avenue NE, Seattle 206-545-0091
- Dick Blick Art Materials 1600 Broadway, Seattle 206-324-0750
- Jerry's Artarama Online [www.jerrysartarama.com](http://www.jerrysartarama.com) (takes a few weeks to receive order)
