

Intermediate and Advanced Ceramics

Instructor: Kyle Lockhart

Purchase your clay and tools **before the first class**.

Purchase locally:

- Seattle Pottery Supplies - Cone ^6 Clay:
- Two 25-pound bags will suffice for the quarter's work.

CLAY Options:

- [Sea Mix 5 White](#)
- [KALAMATH WHITE](#)
- [KALAMATH RED](#)

TOOLS:

- This [8 piece Kemper tool kit](#) will get you started
 - You will need a serrated metal rib and a smooth rib. If not included in the kit, make sure you have one.
- Also **optional** is a [lazy Susan](#) that is flat and untextured. It's helpful, but not mandatory.
- [Click here for more toys \(optional\)](#)

GLAZE:

- You can buy any cone 4-6 glaze you want. We have a selection of in-house glazes to use.
